Each academic year has three terms. This term begun on May 22nd 2017 and it will end on August 25th. The good thing is that, "all our children since it is our custom to give to them Scholastic materials, were in position to receive their Scholastic materials.

THANK YOU FOR YOUR EXTRA CARE!

We are so glad to pass our many thanks to each one of you, 'thank you for your continuous support, spiritually and physically. Indeed, this year had some challenges like hiked food prices, but thanks be to God for the provision He has made through you all.

NATHAN MWEKWATE

UG/816

We wish to share with you the good news of one of our sponsored children called Nathan Mwekwate, a sixteen year young boy, born in April 12th, 2001. He has two brothers, and five sisters, he is the sixth born in his family, currently in form one (senior one) at Buwenge High School. He studied at Omega School right from Nursery until he graduated to Secondary School.

He comes from a peasant family of Bagalya Steven and Kuguminkiliza Rebecca, residing near the small town of Buwenge. He dreams one day to be a strong Mechanical Engineer. We all wish this young man success in all his dreams but we were dismayed when an unknown evil person dropped poison in their household water. Little did they know that the water they were using to prepare family food was poisoned. When the time for eating came, the entire family ate. Nathan and sister were rushed to the hospital in serious condition.

Physicians gave the entire family treatment but Nathan Mwekwate stayed longer in the hospital because his health was seriously affected. The good news is that, "one day he walked out of the hospital bed, a healthy man, and when he visited Rescue African

Children Field Office recently to get his scholastic materials, the social worker asked him what he wished to share with his sponsors. This is what he said with a big smile, "I thank my sponsors for the working prayers because the evil person wanted to keep me in a state of suffering more so to destroy me. But, my good news to my sponsor is that I have thoroughly enjoyed my sponsors prayers and God did put a hedge of protection for me and my family and we are set free from the hospital beds fully protected." You can now see, this young man was properly affected and believes in the powers of prayers!

Then Nathan Mwekwate received his scholastic materials and paid a visit to his former School Omega. Each person who had a glance at him glorified God for His healing power

Praise God!
