### OMEGA SCHOOL CANDIDATE CLASS PRAYER REQUEST

Dear Friends,  
 We salute you all in the name of the Almighty God. We believe and trust God's presence and provision is with you all. It is our humble request to each one of you to mainly continue praying for our candidate class, Primary Seven (grade 7). At a time like this, nationwide, Uganda pupils in grade seven are doing serious class exercises, heartily revising their study work with deep desire to gain excellent grades in their final examinations results.  
 On November 1<sup>st</sup>, Primary Leaving Examinations (P.L.E) will commence and they will be through on November 3rd, 2017. The good performance of candidates always reflects on the school. We therefore do our best to prepare candidates and all our pupils with several assessment tests, regular class revision, and good meals in order for children to demonstrate our School academic standard. This time we have thirty six (36) children in total, sixteen (16) boys

and twenty (20) girls who are working hard to represent Omega School at the national Academic scene, and at the same time to brighten their own future potential academically. We do all we can to make our children confident. On October 29th, we will be organizing a ceremony dedicating our candidates' class and the entire School to the Almighty God. In this ceremony, we have activities like entertainments, feasts, praise and worship, and a sermon by our Director. Then, we say a strong prayer for

our pupils and the entire school. It is our annual custom to dedicate our children to the Almighty God to do the final work on them, prepare them, and make them confident in the examination room, ready to write on examination papers the right answers. And, we testify that God is always with us.  
 In the recent Pre – Primary Leaving Examinations, organized by the Jinja District Education Board, we were in position to move up fifteen (15) children into Division 1, twenty (20) in Division 2, and only One (1) in Division 4. It is our prayer that God makes our children score only D1's so that we may be in position to get more children in Division 1. Keep us in your daily prayers. We have great hope that all the effort in-

jected in this year's candidate class will increase our numbers from last year. On November 20th, all other classes will be beginning their end of year examinations and Academic Year 2017 will end on December 8th. Then, children will all be getting ready for Christmas Festivals. I wish to thank you all for your generosity and continuous practical love for Omega School. All your efforts make us stand strong in Ministry and Jesus' name is glorified.

God bless you all. Yours in Him,  
**PASTOR FRED TUMWEBAZE**
