

A Joyful Christmas Celebration at Omega School

Dear Friends,

On behalf of Rescue African Children, thank you for being generous sponsors. With your kind support, the Omega School children live to testify that they have caring families coming near to them. Our Children's Christmas Party was wonderfully celebrated on 22nd December 2017.

Rescue African Children could not do what it does without the generous support of a caring

community. Thank you again for your thoughtful Christmas gifts to these youngsters. We greatly appreciate your support of our ministry.

The Children's Christmas Party makes a huge difference in the lives of whole families. Through your kind support, Rescue African Children makes lives better and may you continue this great love. Each New Year we witness the excitement of the children when they are enjoying their Christmas meal, praise and worship and joy to the extreme when receiving their Christmas gifts. One young child after receiving her gift moved to the Social Worker humbly and said, "Madam Christmas, yange e'wedhe." Literally meaning her Christmas party is finished. She said it honestly, because many families whose bread earners passed away go through Christmas seasons without happiness and hope. But with all your support to make this Children's

Christmas Party a success, you give children a living testimony of love at Christmas.

Your love, commitment and generosity have kept the movement of our

ministry at the most admirable service; lost hope is given back to children and parental love is attained by your children in Uganda.

We are truly thankful for your commitment and annual sacrifices helping this ministry stay strong, and it is really inspiring to see the smiles of your children. God bless!

Pastor Fred may be coming to a city near you in March or April, 2018

Please hop on board with all of us at Reach USA in welcoming Pastor Fred Tumwebaze in March of next year. His first stop will be with us here in Northern California from March 8th—29th. From there he heads to Arkansas until April 26. Then, to Southern California with Pastor Rodney. If you are in those areas and would like to have him speak and share, please let your local REACH caretaker know. If you don't know who that might be, email: Sandy@rescueafricanchildren.org. I will be scheduling Nor Cal. Please pray and look for the opportunities God will provide to share this wonderful ministry in your area for the sake of these children and families in Uganda and thank you!
