Shadrak Mutebi is doing great with his new prosthetic limb

Dear Friends,
I am called by the name Shadrak Mutebi. I will be making eleven years in the month of June, and I have two brothers, Chris and Timothy. I am in Primary four (grade four) at Omega School. I wish to thank my sponsors for changing my life. Formerly, I could not easily run and walk but now I can do many things on my two legs. My birth was a real shock to my father and he abandoned us with no notice. We only lately heard sad news that he died. I stay with my grandmother, Rose Munaku. These days my life is easy on my artificial limb my sponsors bought for me. At Omega School, we enjoy our lessons, games and I have many friends. During our free time we enjoy the swings a lot. I read so hard at school and my teachers are good. They make us learn a lot and we learn a lot of new things which are very exciting. I believe and trust that when I grow big, I am going to be a doctor and I will also be in position to fix some people's problems and worries as my sponsors did to mine. I always pray for them and ask God to make my sponsors also to have a happy life. God bless you.

Shadrak is quite nimble with his new limb. He enjoys climbing on the playground equipment.

Pastor Fred enjoying fellowship in Northern California and Nevada

Thank you to our umbrella church, Upper Room Community, in Auburn, California, for inviting Pastor Fred to preach on "Faith that is Facing Opposition." Pastor Gene rightly commented that Fred was more qualified to preach on this topic than many of us here in the US. We love our URCC! They have been a great support to REACH USA and now to Pastor Fred as well.

Thank you to William Jessup University, Valley Christian School, and Epic Bible College. It was a blessing to get to share with our youth the plight of the Ugandan Child.

In another trip, we traversed a snowy mountain from California to Nevada for a visit to Valley Christian Fellowship in Garnerville, NV. Pastor Fred was kindly invited to share about the REACH ministry on Palm Sunday. It was a great time of reconnecting with a generous church that had many sponsors. He was warmly received by their Pastor and church, and felt very blessed by his visit.

From Garnerville we headed to Mason Valley Baptist Church in Yerington. Many of the sponsors there had their children's pictures and assured Pastor Fred of their commitment and love for their Ugandan children. It was lovely. A sweet woman who was about to achieve her 90th year shared that it was her desire to take her Omega School daughter all the way through college and if the Lord called her home, her family would take up the sponsorship in her place. Such a loving place! Our glowing hearts, after that pleasant evening made the journey back over the cold mountain, a much warmer drive. May God bless our kind sponsors!
