First Annual Birthday Party is a Huge Success!!

Dear Brethren,
We were moved by the wonderful joy and happiness witnessed on Friday July 20th, at our All Children Birthday Party Cerebration. First, we would like to say, thank you very much for your generosity and love for your sponsored children. May the Almighty God reward you abundantly. This was the first of it's kind and we believe and trust that this exceptional event is going to be igniting joy in the children's hearts annually. It is our prayer that you keep the candle burning. This is why. That Friday, Children arrayed themselves with a lot of cheering and happiness. A wonderful birthday lunch was prepared and a lot of entertainments organized by the

classes were presented after praise and worship. And in the evening, a birthday cake was cut by the children and our mission guest from California. At the end of the day, all children received their birthday gifts.

I thank you for sharing this joy of caring for the needy children with us here in Uganda. At Omega School when you tell children that God is good, they always say, "I am His witness, I am growing better." It is true; they have witnessed the goodness of God through your kind love. After the cerebration the Social Worker asked one child called Shadrac Mutebi how he felt. He expressed this, "I am happy and I know that Omega School is a heart of blessings and opportunities." Shadrac has been featured in past Newsletters.

Through REACH, he received a prosthetic limb. The boy joyfully participated in the dancing and singing.

This was a very beautiful day for us and the children all together. We humbly seek your continuous prayers and back this way we will also be praying for you on a regular basis, so that God takes good care of you all.
God bless you!
