## OMEGA SCHOOL CANDIDATE CLASS PRAYER REQUEST

Dear Brethren,

We salute you all in the name of the Almighty God. Each academic year at Omega School has three terms (Term I, II, and III). In each term children are given lessons: beginning of term tests, mid-term tests, and end of term examinations. I am very happy to share with you that on 8/24, our school received their Term II assessment academic reports, then broke for Holiday. Term III, 2018 begins on 9/17. We are very grateful for all your kind support and love which is shared with us annually. Teachers do concentrate much on class lessons to make children

understand and gain the skill to do examinations confidently.

It is our humble request for you to specifically pray for our candidate class, Primary Seven (grade 7). At a time like this nationwide, Ugandan pupils in Primary Seven are doing their final touches, wholeheartedly improving their work with a deep desire to gain excellent grades in their final examinations. On 11/1/18, two day, "Primary Leaving Examinations" will kick start. The measure of hard work is revealed in the better academic performance of this candidate class. We therefore do our best to prepare with

several assessment tests and good meals in order that these children will represent our school academically well nationwide.

In late October, we will be dedicating our youngsters to the Almighty God to do the finishing on them, to prepare them for a better future. Much is expected on this day. We invite anointed men of God to lead the school in prayers and we also organize a farewell feast for our candidates. This ceremony is our energy giving ceremony because we believe God helps us all awesomely to finish each academic year with children who have passed to another level with colorful grades. And we put all our trust in God through prayers. (continues below)

***Gifts received by October 10th allow for a timely transfer of funds to Uganda and thank you!***

We have witnessed your working prayers. We have had a significant increase this year having (28) children in total, (16) boys and (14) girls. It is our humble request that you continuously keep praying for Omega School to excel academically. On 11/19, all other classes will be beginning their end of year Examinations and Academic year 2018 will end on 10/7. Then, Children will all be getting ready for their Christmas Festivals. This year 2018, we have also witnessed a jolly young man from U.S.A who also introduced omega children to guitar training. The guitar musical instruments and the skill is now prevailing at Omega School. Your love for Omega School humbles us all. All your effort and love makes us go extra miles in Ministry and Jesus' name is glorified. God bless you all. Yours in Him, .... **PASTOR FRED TUMWEBAZE**
