

## **A boy labeled charity kid from Omega School is awarded a Bachelors Degree in Procurement and Supply Chain from Makerere University**

Dear Brethren...I am called **Tadeo Kiliwaidho**; I am twenty four years old. I have grown up in a family of ten people; my late parents gave birth to three but we grew up with our dear Aunt and Uncle who cared for us, their kids, and also grandkids. Our parents did not live to see us grow. They both died at the time when we were all too young. Also, through our beloved Director, I wish to extend my sincere gratitude to my American family for the love and great support they have given to me and the entire household. I am delighted to inform you all that, at last, my graduation day at the University

was January 17, 2019. It was very colorful and successful. And, February 2, 2019 was another wonderful day. It was my graduation party at home. All Invited guests managed to come. I wished (if it was possible) for my family in America to come and attend. I believe and trust that though they were not present physically, prayers given to God for us worked and things went on very well.. I want also to thank our director, Rev. Fred Tumwebaze, for the great love shared through all the things he does for our family and me in particular. Had it not been for him, I can't tell what my future would have been. I joined Makerere University in 2015 after all my education trail through Omega School. Currently I am a happy man, aiming at upgrading and looking for a job. Keep on praying for me and God bless you all! (Below Tadeo's happy family looks on as he graduates.)

Gifts received by APRIL 10th allow for a timely transfer of funds to Uganda.

**Omega School** is expanding and constructing a four storied building with 12 classrooms and one big examination hall on the top floor. This project began in February 2019, and because of the size and amount of funds needed, will be built in phases. The first phase will be the construction of the basement, which is 43 feet long and 28 feet wide. If you would like to contribute to this project please designate funds to **"classrooms."** or **Omega School Fund.**
