DAN NSADHA

D.O.B: May 25, 1998

Dear Friends,
I am called Dan Nsadha. I am twenty one (21) years old, born in a family of three boys and five girls. I wish to thank my sponsors for the great support given to me. I am pursuing a certificate in Motor Vehicle Mechanics at St. Joseph Vocational Training Centre in Kamuli. This is a two year course and I am in my first year, second

Semester. God has given me a living testimony; life seemed to be hopeless for me after my four years in Senior Secondary School. But, I now have a double blessing of a cow and again education in skills. It is indeed a miracle.

The cow I received instantly started giving me four litres of milk a day. I believe you will wonder how, but the fact is that it seems somebody sold it when it had given birth to a calf. And, as a result, I am enjoying milk with my family during the holiday. Isn't that a miracle? Two litres of milk is taken at home and two sold, Paraffin (gas) and soap is bought for our home.

I am at school working hard to come out after my two years when I am a strong prominent,

useful Specialist in Motor Vehicles. I therefore, need to thank you all for your kind support and great love given to me through Rescue African Children.

God bless you all.

It is my prayer that the Almighty God gives you all success and long life. On my side this way I am happy, now seeking a driving job. And, I believe, 'He who enabled me to be what I am today will still make a way for me to receive a job. I seek more of your prayers; please pray for me in your daily prayers. I love you all.

EMMANUEL MUTENYU

Dear Sponsors & well-wishers,

I am called Emmanuel Mutenyu, I am twenty three years old, born in a family of two sisters, Jane and Sharon, and I am the first born. My Biological mother is Robinah Taliba. My Father died when I was in Nursery. I am very grateful to my sponsors and all who interceded for me. And, I thank you all for the great support that has enabled me

to finish my course in driving. I now call myself a professional driver. I now believe that, 'God can see us all in our circumstances; this is because I reached a moment when things seemed to not be moving smoothly for me, and I had lost hope. But, right now, I have a skill for livelihood and I can also communicate confidently because of my education.

A Bit of Administration....

First, thank you to our amazing sponsors! Things are going well here with your volunteer REACH Team USA. Just a few notes to help things run more smoothly:

1. Account Numbers are essential for data entry in our new system. Make sure it is on your check or documentation so that we can enter without looking you up. UG#s are no longer necessary.
2. Please write us ample notes as to how to designate your donations. If you spoke with Fred, we may not know about it. If you want a certain amount to go to this child's pledge or some to another, please let us know. We are here to serve you. And, please don't forget the kid's Birthday & Christmas Funds :-)
3. Lastly, thank you for your sweet notes and blessings. We love them!!

Gifts received by July 10th allow for a timely transfer of funds to Uganda.

A New Future Well for Omega School's new grounds. A very generous **matching donation** has been offered for our new well project. With the new grounds for a secondary school and new classrooms, a new well is also essential. We take water for granted here in the US. But, the cost of plumbing is far out of reach for Omega School's building budget. A "borehole" will need to be dug. And, one of our new sponsors has offered a **matching donation** for this month. Whatever is offered, it will be doubled up to \$4000. We can't thank this sponsor enough and we thank you if you feel led to take advantage of this kind offer. Give as the Lord leads you to give. The new classrooms also continue to be built and if your heart is leading in that direction, please notate it for Omega School or Classroom Funds. Thank you also for some generous gifts last month to our Pastor Cow fund. This last month we added some new sponsors and lost a few too. We are sad to see them go but appreciate that, for a time, they offered a hand up to the people REACH serves and this worthy ministry caring for orphans, widows, and families living with lesser means.
