OMEGA SCHOOL CANDIDATE CLASS PRAYER REQUEST 2019

Christmas Party Soon! SEE BELOW

Dear Brethren,
We salute you all in the name of the Almighty God. We are very grateful for all your kind support and love which is shared with us annually. Each academic year has 3 terms. In each term, children are given lessons, beginning term tests, Mid-term tests and end of term exams. Teachers do concentrate much on class lessons and serious revisions to make children understand and gain the skill to do exams confidently. Allow me to share with you that this year 2019, our District Office organized examinations (Mock Exams) for pupils in candidate class and all Omega candidates passed, (3) in Div. 1, (19) in Div. 2 and only (6) in Div. 3. The Education office awarded us a certificate of recognition for the effort of making all candidates pass without failures.

On November 4th, (P.L.E) will begin and go through November 5th. The better performance of this candidate class reveals academically how hard working the school is. We therefore do our best to prepare this class with several assessment tests, regular class revision, good meals, in order that the children represent our school academically well, nationwide. Excellent academic reputation is always our goal and indeed we work hard to get there with confident, self-motivated and hardworking pupils.

In October 27th, we will be dedicating our youngsters to the Almighty God to do the finishing on them, to prepare them for a better future. A lot is expected on this day. We invite anointed men of God to lead the school in prayers and we also organize a farewell feast for our candidates. This ceremony is our energy giving ceremony because we believe God helps us all awesomely to finish each academic year with children who have passed to another level with colorful grades. And we put all our trust in God through prayers.

It is our humble request to each one of you to specifically continue praying for our candidate class, Primary Seven. before their end of year Primary Leaving Examinations (P.L.E). At this time, nationwide, Ugandan pupils in Primary Seven are doing their final touches, carefully revising their work with deep desire to gain excellent grades in their final exams.

Gifts received by November 12th allow for a timely transfer of funds to Uganda.
