## **PASTOR ELIJAH KAMIRA UP/005. D.O.B: OCTOBER 4 TH , 1975**

Dear Brethren

We are indebted to share with you that Pastor Elijah Kamira, 44 years old, who is married to Harriet Birungi are happily thanking God because their cow gave birth to a female calf. The family named this cow 'Kirabo', which literally means a special 'Gift'. They anticipated a calf, milk, and a daily income from it and now here they are. We seek more prayers that Kirabo will produce continually through God's provision.

This family has seven sons and two daughters. Pastor Elijah got saved in 1998 at Omega Christian Prayer Centre – Buwenge and was mentored by Reverend Fred Tumwebaze, who later appointed him as Pastor of Nawampiti Omega Christian Prayer Centre, a Church that was planted in 2010. It has forty spiritually mature Christians and thirty children. The Lord has blessed them both spiritually and physically. They have a temporary structure as their church but we need more prayers for a permanent one.

I am overjoyed because their cow that they received through REACH( from our sponsors) is doing fine and promising to give them milk as a source of income and some for their household. I wish to thank you all for the great concern you have for pastors here in Uganda Africa. It is our prayer that the Almighty God blesses you all for such great sacrifice for pastors and other needy people.  
Amen.

**Sacramento/Northern California sponsors: look for an invite to our sponsor appreciation night...March 21, 2020.**

Gifts received by March 14th allow for a timely transfer of funds to Uganda.

### **Please continue praying for a completed Secondary School by February, 2021.**

This is a huge prayer, but we have a big God. If this is successful, the children will stay at Omega School from Nursery to (HS) Graduation. First we need to finish the 6 classroom block building that requires a concrete floor, shutters, plaster, etc at a cost of \$15,000. The 4-story building needs \$6000 for the slab and \$17,500 for the ground floor. It will require \$9000 for water toilets. Desks must also be constructed.

If any sponsors have construction experience and are feeling led to Uganda to aid in this high calling, we ask that you begin praying. Please contact Fred by email for more information and to let him know you are in support of this endeavor. If you would like to donate, please mention: Omega School Fund. **Thanks**
