BIRTHDAY UPDATE 2020

Dear Brethren

We wish to thank you all for the great sacrifice you made for the youngsters here in Uganda. We are happy to share with you that we tried our level best to make sure that children received their birthday gifts for 2020 in their respective homes since our country is still under lockdown. We endeavored to give each child a gift and they received it with a big smile. Our social workers moved from home to home. One of our social workers greeted a child called Mwesigwa Jimmy, who was concentrated on building a house using dirt (Mud). The boy paused to receive his birthday gift, and said, "I am happy God has not forsaken us. May the Almighty God bless all our sponsors." As you see from the pictures, many other children were extremely excited and happy and thankful. This made the workers here at REACH excited and happy too. Our country went into lockdown with the pandemic, and frankly many services and economic activities have not bounced back. We seek you all to keep praying for us to return to normal, just as we pray for you.

Thank you very much, and God bless you all!

Update: Things are opening slowly. Good news, they are harvesting crops! Praise God! Thank you for the wonderfully generous response to the food deprivation experienced by our Ugandan friends and family. Your kind response, at times, brought tears to the eyes of workers here in the US.

As you see, the children got their first presents for birthdays but Pastor is wanting to give them shoes when they return to school. Thank you for the shoe donations so far, if possible, keep them coming. And I wanted to ask a special prayer for Fred's wife, Joan. She is very near to the time of delivery. Please pray for her and Fred's whole family during this happy but challenging time. We pray that God might bless and keep them and show his great love and provision for all our Pastors, Kids, and their families. ..In Appreciation, Sandy
