

Finishing out 2021 with Thankfulness and a Christmas Party!!

Hello to our lovely friends and REACH family.

Praying that all is well with you and the hand of our Lord continues to put a hedge of protection around you.

I have been looking back in life and all that God has taken us through with great victory. My heart is overwhelmed with the many ways the Lord has saved the lives of children that would not be living today if it wasn't for your loving hearts, reaching out in time. I become speechless when I look at the photo of my daughter Nissi in her hospital bed after heart surgery in India. It is now three years since July 7, 2018, and she is healthy with no complications. Nissi can now run, jump, and is growing, and looking so nice. We have nothing to give back but have committed to pray for you all. May the Lord continue to bless the work of your hands and offer a huge reward for all your love to our children. Margret our baby is also growing well and walking and singing *Happy Birthday*, as her best loved song. The boys are fine and growing so quick. They are challenging but loving doing church things. My wife, Joan is also well though she is still taking blood pressure medicine but feeling fine normally. Thank you for the love.

It is now time for us to think of Christmas and how it will go for our Omega School children. I am happy to say that we shall be able have a Christmas party for all children at school as we are now allowed to gather in numbers of 200 people at a time. We shall run the gathering like last year's party, where children came in intervals. Thank you for supporting this event every year. Blessings and Merry Christmas!

Christmas Party with Covid Protections coming December - 2021

Thank you so much for your amazingly generous response to the food challenges. Thank you to those who gave for business startups in Buwenge and building the school. Thank you for continuing to give to Christmas and Birthday funds. You have given \$3000 so far for this party, but we are hoping to raise a bit more for food gifts to the children. **If you feel so led, please consider adding just a few more dollars to the Christmas fund.** It is such a blessing for all of us here at REACH USA to serve Fred, the Pastors and Omega children. Our sponsors bring us to a place of awe. Jehovah Jireh - Our Lord provides. Thank you for being His instrument of provision. Thank you for your faithful support.
