

Dear Friends,
 Lovely greetings in Jesus' name. Hope all is well with you and family. We do continue to pray for you each time we come before our Lord. Here at Omega School, I am glad to report that school opened for third term as planned and all children reported, eager to learn. The challenges their families are facing help to make the kids even more thankful for school

and the sponsor's prayers, help, and care. I am so happy to say that learning is going on very well. We are blessed to have food to feed the children at school through your support, but

it is getting harder each day to get what we need.

CANDIDATE CLASS 2022

We are delighted to bring our prayer request to all of you for our candidate class (seventh grade). They will be sitting for their Primary Leaving Examinations (P.L.E) from the 7th – 9th November, 2022.

We are currently keeping them busy, guiding them in all subjects to see that they can perform their best as it is always our desire to see each candidate excel. In our last P.L.E results we were able to get six (6) candidates in division one, 26 in division two and only one

division three. All the thirty-three candidates passed and they were in position to join senior secondary schools.

Gratitude

Please allow me to register my sincere thanks to you all for the loving hand given to us at this time. The situation in Uganda is so alarming. Feeding and getting basic needs is getting so hard. I therefore say thank you again and again for helping to feed these families in so great need as this. May the Lord bless you continually.

Ugandans are experiencing inflation and food shortage. Uganda is now facing a shortage of food and people have started going without a meal. Those that can afford it, eat one meal a day. The rain has come but it was too late to save the crops. We are looking at a difficult upcoming year. On top of that, prices for everything have gone so high. 100kgs of maize flour is now costing \$105. Please pray for God's provision. **If you feel lead, please begin adding extra dollars to increase the food fund.**
