Dear Friends

Greetings in the name of our Lord Jesus Christ. I am glad to share with you the blessings that Maria has been given by the Lord through loving friends in the USA....

My name is Maria Boobo aged forty-two years and a single mother. I am blessed with three girls: Patience Kisakye, Patricia Kwagala and Elizabeth Bitali. I grew up in the village called Muwangi, a suburb of

Maria in her Kiosk

Buwenge Town Council where Omega School is located. I am the second born in a family of four girls and one boy. My Father died in 1990. Later in 2012, my Mother also passed on.

I was born a healthy child, but was disabled by polio at the age of 4. According to my late Mother, Polio attacked me and crippled me. My mother took the initiative to take me to the Missionary Center for kids in need, seeking some help. By God's mercy, I was retained in the center. Later in the center, I met the father to my children, who is also disabled moving in a wheel chair. However, things later become hard and he abandoned me and our children leaving us in a rented room.

I work each day by sewing clothes so that I can earn some money to take care of my children. My two children are sponsored at Omega School and I am so grateful to their sponsors.

Now, the rented room is paid for and I am so thankful to God and every one that is helping me meet my family's needs.

A Miracle House for Maria

Maria's story was shared with Movement Church in California. They raised funds to build Maria a small house. It is now under construction and will be presented as a surprise gift to her in the month of August. Thank you so much Pastor Cindy for spearheading the raising of the funds for this great gift for Maria. Blessings to all,
Fred Tumwebaze

Fund raising for the Birthday Party on July 15th was successful!

We came very close to meeting our goal but will need God as always to make up the difference. Please pray for His hand of favor and for it to be joyful for all! This date is known by every child and they look forward to celebrating their combined birthdays and enjoying it to its fullest. This time we shall be giving each child a pair of shoes. The shoes we gave out over two years ago are now worn-out. Each pair of shoes is \$15. We thank you all for making the birthday party a huge success. It is such a beautiful thing when we ask and our sponsors generously respond for the sake of God and to bless the children! (These are pictures from the last shoe day.) Next month we will post pictures from the July 15th celebration!
