2023

## The Birthday Party turned out to be a Beautiful Day for the Kids!

Dear Brethren, I wish to extend my heartfelt thankfulness to all great friends overseas who endeavor to extend their giving hand to the African needy children. I am happy to share with you all that the birthday party was moved to July 28th, 2023 due to conflicts in scheduling. This exceptional event annually ignites joy in the children's heart. Children organized themselves with a lot of cheering and happiness. A wonderful Birthday lunch was prepared and a lot of entertainments, organized by the classes were presented after praise and worship. In the evening a birthday cake, cut by the children and their Director, came out. Then, at the end of the day all children received their birthday gifts. Shoes were received, and a feast brought landmark excitements and great joy. On your behalf, we distributed the shoes to all Omega School children who were in great need for them. It has been a while since we last distributed shoes to children. It is a fact that all the children who received those heartfelt gifts expressed much joy and happiness. These youngsters are energized and their hope is revived. The families of these children cannot afford the kind of support received from their sponsors on a regular basis. We believe that they will live to testify how God worked in their lives and how He has given them joy and happiness at the time when they seemed to see no future or help. It is amazing! On your behalf, we have witnessed these young children expressing this. One of these young children who received gifts firmly said to the social worker the words, "mukama mulungi..." literally meaning "God is good." It is really edifying to hear a child saying that before us and makes our joy complete in ministry.

Many dreadful diseases and many other calamities deprive these young children the biological parental love and many other basics of life. Indeed you have bridged the gap. On 22nd December, 2023 it will be another day for them to enjoy and celebrate Jesus' birthday, and at the same time walking home happy with gifts again. At this moment, I thank you for your generosity and I thank you to share with us the joy of caring for these young future teachers, preachers, doctors, and so on. All the time, when they receive gifts, they feel indebted to work hard academically in order to be useful to their community. Gifts motivate our children to work for the future ahead of them. In their words, "It is my prayer that God enables me to be a future wonderful doctor and when I become one, I will treat people with kindness." I believe and trust that you see the seeds you are planting in these young children. Allow me to end here for now, wishing you all God's mercy in all things that you do. God bless!

... Fred Tumwebaze

Gifts received by August 16th allow for a timely transfer of funds to Uganda.
