

## Omega School participates in a Musical Festival

Dear Friends, Blessings to you all in our Lord Jesus Christ. I do hope you are all doing well. Back here in Uganda, Omega School has been busy. Immediately after the annual Birthday Party, we hosted the Zone Music Festival and Competition on August 2nd. We participated and emerged number 3 out of the 8 schools involved. We also qualified to compete in the district-wide Music Festival scheduled on August 11th. Omega School again, acted as host to the competition.

## Omega School participates in District Athletics

On August 4, we participated in the Football and Netball Zone Competition as well. In this competition three boys and three girls were nominated to join the district football (Soccer) and Netball team respectively. All the above activities required us to have vigorous training and challenging facilitation of our responsibilities. We tried our level best with the available resources to do what we were able to do. However, we were surrounded with needs, like sports uniforms, sports shoes, soccer shoes, to mention but a few.

Gifts received by September 16th allow for a timely transfer of funds to Uganda.

There is a lot in store for us to do. And we indeed struggle to see ourselves in the position of excelling in all education areas. Two examinations were done by all Omega School pupils right after both the music and football competitions. Our candidate class (grade 7) also did district mock examinations. Allow me to end here for now, seeking your prayers for all Omega School pupils in their endeavor to prepare for their bright futures academically. The school is on a 4 week holiday resuming on September 11th.
