Omega School Candidate Class - 2023

Dear Friends..We send you many Christian greetings from Uganda. We believe and trust God is taking good care of you all. It is our humble request to each one of you to specifically consider praying for our candidate class, which is called Primary Seven (your 7th grade). At this time nationwide, all pupils in seventh grade are doing their final touches, revising their work with a deep desire to gain excellent grades in their final examinations. On November 7th, Primary Leaving Examinations (PLE) will kick start and they will continue through November 9th. The good performance of this candidate class reflects on their school, judging whether it is hard working. We, therefore, do our best to prepare this class with several assessment tests, regular class revision, and good meals.

A Prayer Request....

This year we have (43) Candidates in total, (26) boys and (17) girls, who are working hard to represent Omega School and at the same time to brighten their own futures. On October 22nd, we will be organizing a ceremony to dedicate our candidates' class and the entire school to the Almighty God. In this ceremony, we have activities such as entertainments, a feast, praise and worship, a sermon, and then we say a strong prayer for our pupils and the entire school. This is our energy giving ceremony because we believe God helps us all awesomely to finish each academic year with children who have a path to another level, with colorful grades. And we put all our trust in God through prayers. Indeed, we have witnessed your working prayers in 2022 since we were able to perform well with (16) children in division one, (12) children in division two and only (3) in Division three. Our best candidates got (7) total aggregates and the last one got twenty three (23) total aggregates.

Gifts received by October 16th allow for a timely transfer of funds to Uganda.

A Thank You..

It is our humble request that you continuously keep praying for Omega School to excel academically year after year. And in November, 2023 all children will do well on their examinations. They will then be getting ready for the children's annual Christmas party on December 22nd. I wish to thank you all for your generosity and continuous love for Omega School, especially the vulnerable children. In July, 2023, we joyfully witnessed your love in kind to Omega School through the donation of shoes at our birthday party. All your efforts and love have made us go extra miles in ministry and uplifting Jesus' name. God bless you all. Yours in service,

...PASTOR FRED TUMWEBAZE
