Dedication of Primary 7 and Nursery Graduations and Exams!

On 10/22, we had a dedication ceremony for Primary 7 candidates and nursery children who graduated to primary level. All was successful and included children's presentations, speeches, and prayers and worship. On 12/7 we begin the Primary Leaving Exams nationwide. We wish to call for more prayers so that early next year, when results are released by Uganda's Examination Board, we emerge to be among the best performing schools.

Primary seven candidates were dedicated before the Almighty God as Jesus did to his disciples in order to empower them and encourage them to be strong and free of fear (Luke 9:1-4). Also, 35 pupils in top class (Nursery) were also energized and moved to feel blessed by the Almighty God during all the activities. Strong prayers were spoken over them by Myself, as Director and many other local preachers.

In late December, 2023, they will be breaking off and getting ready for Christmas celebrations, their break, and the beloved Childrens' Christmas Party. You have proved for many years that you can make a difference in the lives of the needy children; you have a vision at heart by creating an ideal and unique image of our school through your love and kind support. May the Almighty God grant you success in all things that you do.

It is our humble request that you keep us in your daily prayers. God bless you!

Note: If you feel led, please add to the Christmas fund, which helps all kids to have a gift and party. Thank you for making it such a blessing to the kids every year!

Gifts received by November 16th allow for a timely transfer of funds to Uganda.

A Visit to Uganda by Sponsors

We wish to share the excitement, happiness, and joy received by the Omega School children. We believe that "a journey that is not shared, is incomplete". On 10/13, we received our children's sponsors, Ruth and Vanessa. As it is our custom, we had a welcome ceremony, with praise and worship, choir presentations, and welcome remarks. The director welcomed our visitors to share a bible story from Matt. 8:23-27, how Jesus rebuked the wind and waves til it was completely calm. She reminded the children that whatever the situation may be, "Jesus is in the boat." After her encouraging words to our kids from the bible, the sponsors gave out family gifts of biscuits to all. The successful visit by these two kind ladies is a manifestation to us that God loves us all. Blessings, R. Fred Tumwebaze
