Omega School Update

Dear Brethren,

We send you many greetings and thankfulness from Uganda, especially from Omega School community. We appreciate the spiritual, financial, and moral support given to these youngsters. May the Almighty God bless you in great quantity. 1st term, 2024 started on February 5th. Children happily returned to school this academic year with a determined readiness to start up their serious class work. All daily routine programs are running with God's help and provision. The total enrollment as of this month, March, 2024 is 486.

Our classroom teachers are working hard and lessons are going on smoothly. We thank God that He is always with us to enable us to attain school supplies, food, medical supplies, and many other resources needed to care for the children and the school. We seem to have a big chance to stand out from the crowd because of the outstanding charity service we give to the poor and needy children and orphans. It's important that you know that last year's donation of new shoes, our annual birthday and Christmas party with gifts for all, has ignited community trust and love for Omega School and all servants in general.

We are working hard to see that our candidate class (seventh grade) of thirty pupils, twelve (12) boys and eighteen (18) girls, thirty in total, do well and all other classes excel with wonderful grades. This school term will come to an end on Friday, the 3rd of May. We kindly ask you to pray for us regularly so allgoes well to end term. Allow me to end here for now saluting you all in Jesus name.
Amen.
