

# Rescue African Children

MARCH

*The Children's Voice*

2025

## Our Dear Beloved Friends,

Greetings to you all in the name of our Lord Jesus Christ. I believe all is well. Our prayers are always with you, for good health and blessings in all you do. Thank you for praying for us. Each time you go before our loving Lord, your prayers work in a way you cannot imagine. We have seen them work miracles and wonders for us and I am surely grateful for having you in our lives. It is a blessing to always bring an update from Omega School. It is a month now since the first term started in January, 2025 and we now have a total of 450 students who have returned, and all teachers reported and are busy giving lessons. However, the weather is very hot in most parts of Uganda and food prices have gone up. We are very thankful that we are able to feed all the children at school every day because of your continued monthly support. May you be blessed for all the love you share with Omega School children.

## The Twins

I hope you can remember the story of Rebecca and her twin brother and sister. They are all in one of the videos on the [www.rescueafricanchildren.org](http://www.rescueafricanchildren.org) website. It is hard to believe, but these twins are now in the candidate class (P.7). They look good and healthy, and are bright in class. We want to say thank you to all our sponsors for giving such children a future. Kimeze (Fred), the elder brother of the twins finished Senior Four, in secondary school at the end of the previous year and their results just returned last week. He passed and is getting ready to join a course.

## A Pressing Need

As the years have passed by, our desks have gotten old and weak. And, there are not enough for all the students. Each desk sits three students at a cost of \$25. In the first phase we need 100 desks. Please pray for us for the Lord's provision. (Reach USA note: If you feel so led, mark a donation of any size "For Desks".)

Thank you and many blessings,

...Fred Tumwebaze

Gifts received by March 16th allow for a timely transfer of funds to Uganda.
