Newsletter for May 2025

Dear Friends,

Greetings in our loving Lord Jesus Christ and hope all is well with you. I am glad to be able to update you on how things are here at Omega School. The school programs have run very smoothly and well. The first school term opened on January 26th 2025, with 74 children that turned up the first day of school and went on increasing each day to the tune of 475. We have carried on the teaching program perfectly and good performance has been registered in all classes. Pre-school runs from baby class to top class. And, primary level runs from Primary One to Primary Seven. All children sat for the end of first

term exams and performed well. They are now going for 3 weeks holiday on April 30th and returning on the 26nd of May for the second term of the school year.

Candidate Class

Primary Seven is the last class of primary level education and students become candidates after they register for the Uganda National Examination to be done in November 2025. They all registered and are now fully candidates, however they go through hard work to the extent that when others break up for holiday, the candidate class stays for another two weeks.

Staffing

We have 19 teaching staff, 12 non-teaching staff, and 5 workers at REACH Office.

Student enrolment breakdown is as follows:

Nursery Section

Boys =48
Girls =49
Total=97

Primary

Boys =176
Girls =202

Grand Total =475

Gifts received by May 16th allow for a timely transfer of funds to Uganda.
