The Children's Voice

Thank you for making the Omega School Christmas Party a great blessing to all the children and their families.

Dear Brethren,
We wish you the blessings of the miracle that the birthday of our Lord Jesus Christ brings and a prosperous new year in 2020. We are privileged to continuously share our love, joy, and kindness in these last days of 2019. The Almighty God through your continuous prayers enabled us to go through numerous activities in our ministries successfully. On 11/29/19 Omega School academic year ended. And on that very day the entire school received their progressive report cards. Next Academic year, 2020 officially begins on February 3rd. Immediately when the New Year begins, many children will be excited to join new classes and we will be eager to receive our final examinations results from Uganda National Examination Board (UNEB). Excellent performance ignites a lot of happiness and it is our custom to organize a thanks giving ceremony. We are thankful for all your cooperation, devotion and generosity. May the Almighty God reward you in abundance.

December 22nd, 2019, we witnessed another beautiful day, celebrating the birth of Jesus Christ. Annually this particular day gathers all Omega School Children to have Pre- Christmas celebration. The day was wonderful. We had activities like powerful praising and worshipping and a feast. We thank our Lord for you for making the under privileged children who otherwise could be sorrowfully going through this Christmas season with painful memories of their beloved ones who passed away Or, others who could not afford to bring happiness, encouragement to their families due to poor circumstances. Your love bridges this gap. **Our Celebration** is marked by the children as a time of joy. Children expect Inspiring speakers, vibrant praise and worship, indoor games, a feast, and Christmas gifts for each child. We are able to reach this far because of all your generous love. Children testify how this day wipes away their tears and give them joy and great hope. We therefore seek your continuous love for these youngsters.
