The Children's Voice

2020

Dear Brethren,

On behalf of our communities and their households, I wish to thank you all for the spirit of deep concern for the needy who are undergoing a trying moment of lack of food during this season of Covid19, We endeavored to reach many households with a package of Maize flour and we witnessed a heart of joy and great happiness. The need for food is overwhelming, but the step taken is great and greatly appreciated as shown by the large smiles.

Since social distancing and quarantine is one of the set precautions against Covid19, we tried our level best to organize a location where people could move and attain food (Maize flour) for their families, one person at a time. And to the disabled families, elderly people, and young children, we enlisted our Social Workers, who took food to their homes. Allow me to end here for now, passing our needy people's appreciation to all of you in your respective capacity. Thank you very much, and God bless you all!

Update: The quarantine for Covid19 has made it difficult for many to work. If a family needs to work everyday to get food, through no fault of their own, they cannot feed themselves. With your donations, Reach has been providing food.. Thank you! As of now, Omega School is closed until May 5th. Pray for healing, provision, an end to quarantine, and restoration. **We would like to express prayers and condolences to the friends and family of one of our favorite 90 year old sponsors, Jeanie Spradlin. She lit up a room with her love and we are sure when she entered the arms of Jesus, she heard, well done daughter.**
