INTRODUCING TWO MORE OF OUR HARD WORKING STAFF

Hello Friends,

I send you Christian greetings in the name of our Lord Jesus Christ. I am Kiiza James, accountant at REACH Field Office at Buwenge. I am a born again Christian, married to one beautiful wife called Aseye Rebecca Kiiza. Our wedding was in January 2020, We believe God for children in His timing. Rebecca had a miscarriage last year and she is now pregnant again. We ask for your prayers over our family.

I did a Diploma in Business Administration; I thank God for his love upon me and all he has taken me through.

I would like to appreciate you, our dear sponsors, for the love towards our children supported here at Rescue African Children. Thank you all for the support.

May the Lord, our God bless you all abundantly.....James

I am Kufuna Suzan, Social Worker, working with Rescue African Children. I am a born again Christian and a mother of four children, one girl and three boys, two boys are twins.

I am very proud of my job and I am happy working with children. I have worked with REACH for over 10 years. I am so happy to see children grow and become responsible people in the community after going through our REACH program.

Am grateful for your love to all the children that you support, who are able to go to school, so that they will have a future .

I thank God so much for his love and mercy upon my life. I would like to thank our dear Director for giving me an opportunity to work with him. He is a good person to us and I appreciate him for that.

I love you so much and I pray for God's blessings upon you and upon your entire family.

Thanks.

Primary 4 and 5 are coming back to school on April 6th 2021. Omega will have 4 grades back and they are hoping for more kids added in 3 months.

See Kilza, James in our latest video!

Please go to www.rescueafricanchildren.org and tap "Videos" to view the most recent offering which documents the interventions ReACh has had to implement to navigate the restrictions posed by the Covid19 lock downs. Omega School is patiently waiting and following the mandates from the Ugandan Gov't. 4 grades have returned and hopefully the younger school children can return to in-person learning very soon.
