The Children's Voice

2022

School is returning to it's normal schedule....And, all night prayer services held in 15 churches.

Dear Friends

Greetings in the name of our Lord Jesus Christ. I trust all is well with you. For us here, we are doing well and continuing to serve the Lord as things are getting more and more back to normal.

On Good Friday, all our 15 churches gathered for all night prayers and we had a wonderful time in the presence of our Lord with over 400 people in attendance. We shall be having a youth conference on the 30th of April, with students coming from all of our churches. So, please pray for us that all may go well.

Omega School is now on break for the holidays that will be ending on May 8th. School resumes on the 9th. The children are doing well. But sadly, yesterday, we lost one child UG/2660 Paul Bikumbi. Please pray for Paul's family.

As for me, the Lord has blessed me with another year. On April 27th, I was 51 years. I want to say thank you to all of you for all your support for the ministry of God here in Uganda.

I thank the Lord so much our REACH Team USA, for the good job they do for the ministry of REACH.

May the almighty God bless you all.

2020 Birthday Party

NOTE: Last year's birthday party had to be canceled since the birthday fund needed to be diverted to food distribution. Sponsors have been such a blessing to families and children in these past two years! This year our shared birthday party will be held in July once more.. It is such a joyful event. Please consider adding a few more dollars to the Birthday Fund. And many thanks to those who have already been adding to that fund.

Gifts received by May 16th allow a timely transfer of funds to Uganda

Be on the look out for your little brown envelope with pretty Ugandan stamps!

We want to apologize for the lack of correspondence in the last two years. There were many interruptions in the mail service and the displacement of your sponsored child during the lockdowns made it quite difficult as well. We are grateful to say that with God's continued care, your kids have been attending school and the envelopes will begin to be sent out, once the children return from their break. Social workers are now busy gathering updated information on your child. We beg your patience as the long and tedious task progresses. It's important to the ministry of REACH that relationships and the love between you and your child continues to grow. So watch for your Ugandan letters in the next couple of months.
