2022

Update on: THOMAS MUKISA, UG/679, D.O.B: NOVEMBER 22, 2001

Dear Friends,

We wish to thank you all for your constant prayers over our sponsored children and the ministries here in Uganda. We are blessed to inform you that, Tom Mukisa is doing well at Uganda Hotel and Tourism Training Institute. He joined this year in the month of February, pursuing a certificate in Hotel Operations. We are all encouraged because he likes so much what is being taught. We believe the skills attained, will be of great help to him. He is currently sitting for his examinations which come at the end of first semester, year one. This course will take him two years. Our social worker visited him and asked him what he wishes his sponsors to hear. He said, "I wish my family in America the best in life. I am so grateful they love me and have greatly cared for me. I am here in Uganda at school, happy and studying hard. I believe, after attaining my "Hotel Operation" skills, I am going to be helpful to our society. Our school teaching curriculum is broad and will guide me to serve people with love and a smile. I am greatly happy and thankful to my sponsors for my opportunity to be at school. My prayer request is that they might please remember us every day when talking to God, that all of us doing courses in different institutions successfully finish with colorful grades and wonderful skills.

Please Note:

When a child completes his/her 7 years at Omega School, we continue extending your support through secondary school. When time for joining a course comes, we normally contact the sponsor to find out if the sponsor is willing to help with extra funds needed for the course. I would like to say thank you to all our sponsors for the great love for your children here at REACH. May our Lord bless you big.

2020 Birthday Party

Last chance to add to Birthday fund

Last year's birthday party had to be canceled since the birthday fund needed to be diverted to food distribution. Sponsors have been such a blessing to families and children in these past two years! This year our shared birthday party will be held in July once more.. It is such a joyful event. Please consider adding a few more dollars to the Birthday Fund. And many thanks to those who have already been adding to that fund.
