The Children's Voice

2022

Omega School's hard working students taking exams.

Dear Friends,

I warmly send you all Christian greetings from Uganda. Hope you are doing well. Let me hope the Lord has been good and continues to give you protection. Please receive our update on how things are going with us here in Uganda.

Dedication of Candidates On October 30th, 2022

Our Pastors and children's families will be arriving at Omega School to dedicate the candidate class (seventh grade) to the Almighty God. We seek your working prayers for these youngsters to excel in their examinations with wonderful results. And on this very day, Nursery (top class) will also be graduating to Primary Level and they will also be issued each a certificate. Many other activities like cake cutting, presentations, and speeches from local leaders and school management will be presented. And before the day breaks down, a meal will also be provided. During this hard time, when prices of school requirements were increased (in addition to food prices), we try our level best to give our children the most we can. We provide good meals, serious class work, and regular assessments. We therefore anticipate with faith, wonderful results and good representation nationwide. It is our plan that next year, 2023 we will organize a thanksgiving ceremony, thanking God for his involvement and provision. **P.L.E. (Primary Leaving Examinations)** will officially begin on November 7 th, 2022 by

briefing children how to conduct themselves in the examination hall. And, on November 8th & 9th, the examination hall will be busy with the real P.L.E papers. General Examinations for the whole school will also begin on November 14th and end on November 18th. Promotional reports will be issued on December 9th, 2022. And all children will be ready for their end of academic year 2022 Christmas holiday.

God bless you all!

Food Giving Christmas Party

I am desirous to share with you that, on December 22nd, which is our annual day for Omega children to celebrate their Christmas, we would like to be able to give food to each family for use on Christmas day as many may not be able find some thing to eat. This is because many families as we talk have food shortage at their homes. We believe helping them with food will bring a smile and joy to them. Allow me to end here for now happily seeking your working prayers and provision in all the above ministries. **If you feel led please help to make this Christmas Party a blessing to our children's families.** Thank you!! So many have addressed the extra need for food funds and Omega School has been helped tremendously.
