*The Children's Voice*

2023

Hello Friends, We wish you the entire miracle Christmas brings and a prosperous 2023.

The Almighty God through your prayers enabled us to go through numerous activities in our ministries this past year, giving us the privilege to share love, joy and kindness.

On December 2nd, the last day of our academic year, Omega School received their progress report cards. The next academic year officially begins Feb. 6, 2023 and children will be excited to join new classes. Next year, we will be eager to receive our Primary Seven Leaving Exam results from Uganda National Exam Board-UNEB. Excellent performance in the results of the P.L.E., ignites a lot of happiness and it is our custom to organize a thanksgiving ceremony afterwards.

We are thankful for all your cooperation, devotion and love in kind. May the Almighty God reward you in abundance. The

blessings of life confirm the covenant relationship God has established and kept -Deuteronomy 8:18. A journey not shared is never complete. Today, Dec. 22, 2022, we have witnessed another beautiful day, celebrating the birth of Jesus Christ. Annually, this day gathers all Omega School children to have a Christmas Party. The day was filled with beauty; we received a very edifying word about the birth of Jesus Christ. We then had activities like powerful praise and worship, and a feast. Each child walked home gently with a 5kg sack of rice and a packet of biscuits. Some few old boys and girls of the school joined us. This is the group which finished their P.L.E. in 2014. They also edified their fellow children and indeed it was a very good time.

We are thankful to the Lord for your love and commitment that enables the underprivileged people who otherwise would be

sorrowfully going through this Christmas season with sad memories of their beloved ones who passed away or could not afford to bring happiness and encouragement to their families. You, therefore bridge the gap by giving to the Christmas Party fund.

Children come expectant to hear the word of God, vibrant praise and worship, do indoor games, eat a good meal and in other years, receive a Christmas gift. We are able to reach this far because of all your love in kind. They testify how this day wipes their sorrowful tears away and gives them joy and great hope. We therefore, seek your continuous love for these youngsters.

I believe and trust that you can now all see how your love shared is transforming lives. Allow me to end here wishing you excellent Christmas celebrations and a happy new year, 2023. God bless you all.
