## Another Reach Success Story:

Dear friends,

Greetings in the Name of our Lord Jesus Christ. Hope all is well with you and the hand of God continues to give you protection. I am glad to bring you an update on the children here at Omega School. On May 6<sup>th</sup>, we broke off

for a 3-week holiday, children are to report back to school on May 29<sup>th</sup> 2023. We are so looking forward to their return to school. The holidays have been generally good as we have not registered any bad news about our children. We have, however, received over 100 new students that registered to join Omega School for this school term. If they all report, our total enrollment will rise to over 500. Thank you for praying and all the support you give each month.

### Shadrack Mutebi

Shadrack is growing fine and showing a lot of talent. The Lord has blessed him with a good voice and he sings praise and worship in a touching way. On Friday he also interpreted for me as I preached in children's conference at Omega Church in Buwenge.

Shadrack is doing very well in school and his prothesis leg was replaced two weeks ago as he is growing so fast. I want to thank the sponsors for making his life better, and he will be going back to school after church today. I need to share a

touching conversation I had with him on Friday as we drove to church for the conference. I asked him about his Father, if he is still alive. He said that he is, but his Father has only seen him once and continued to reject him due to his health condition (needing a prothesis). His Father said that he does not give birth to children with health conditions like that of Shadrack. Despite this sadness in his life, Shadrack has done well. He has a loving Mother and is happy in his life. Thanks again and again to the sponsors for everything they have done for him. Blessings to you all.....

Fred Tumwebaze

Gifts received by June 16th allow for a timely transfer of funds to Uganda.

### Birthday Party July 15 2023.

This date is known by every child and they look forward to celebrating their combined birthdays and enjoying it to its fullest. This time we shall be giving each child a pair of shoes. The shoes we gave out over two years ago are now worn-out. Each pair of shoes is \$15. We thank you all for making the birthday party a success. Note from Reach Team USA...So far the birthday fund contains enough for only about half the needed shoes. We hope to raise just above \$2000 more for everyone to receive shoes. Thank you to all that have given and if you have not, please consider an extra donation to the birthday fund to make it a grand party!

(These are pictures from the last shoe day.)
