Omega School Update for October 2024

Dear beloved friends,
I am so glad to be able to bring you an update on how things are progressing here at Omega School. On September 9th, we opened officially for third term schooling and all students reported on time. Our teachers have now started with the work of grooming them in academics. The social workers also are doing their work of making sure that all sponsored children are well cared for with all their needs being met.

Candidate class

Third term is very busy term especially with the candidate class. We are working hard every day to prepare our candidates for the final examination (Primary Leaving Examination or P.L.E) We therefore ask for your prayers as always that all may go well and for good performance. They will be writing their exam from November 4th through the 7th. We have a total of 30 candidates, 18 girls and 12 boys. Our dedication service will be held on October 27th. During this time parents and guardians join the school to offer prayers and give them encouragement.

Christmas Party

On December 22nd each year we celebrate Christmas together and we normally have over 500 children in attendance. We give each child a gift and a good meal. I humbly submit my many thanks to all of you for making this celebration successful. We are looking forward to your great support again this year in December 2024.

Thank you for loving the children at Omega school. Our prayers are with you all in Jesus' name for good health and provisions.

Blessings
