The Children's Voice

JUNE

2025

Dear Brethren,

I am David Ogule, the headteacher of our great Omega School. And, I'm very happy to share with you that on May 26th, Omega School officially opened for second term as per the guidelines of the Ministry of Education and Sports. We want to humbly reach our sincere thanks to you all for all your kind support and love which is shared with us each year. We thank God because our teachers are present (above center) and the children are still turning up for studies. Below is the school attendance for the three days of the first week.

Attendance the first 3 days:

Monday...41 boys, 44 girls, totalling 85

Tuesday...79 boys, 90 girls, totalling 169

Wednesday...110 boys, 137 girls, totalling 247

The children report slowly in the first week of the official opening and the in the second week they all fully report. Those that have reported so far, are healthy and eager to learn. We are looking forward to accomplishing a lot in this second term of School Year 2025. Our candidate class is also reporting back after a short break of one week.

Allow me end here for now seeking your prayers for all Omega School pupils in their endeavor to prepare for their bright future academically and all their spheres of life.

God bless you all!

Regards

DAVID OGULE

Head teacher (Omega School)
