VICTO'S JOURNEY TO SUCCESS

Hello friends and family,
We are delighted to share Victo's success story with you! With the support of Rescue African Children (REACH), Victo achieved her dream of becoming an accountant at a banking agent which is an organization that serves a combination of different banks. Victo joined Omega School in 2005, when she was in grade two and later completed her primary level in 2010. She then joined secondary level in 2011 and completed it in 2014. Victo also went for higher studies in Advanced Level (A-level) in 2015 up to 2016. In 2017 – 2019, Victo joined University offering a course in Accountancy. After her course, she landed a job as a bank agent in 2021 and has been employed there for the last 4 years. As a bank agent, Victo is not only providing financial services, but also empowering the community. She works with local groups promoting financial literacy, supporting people with small businesses, and helping individuals to access banking services.

Finally, Victor is married with two children named Dalton and Darina. She is grateful for the support and resources REACH provided. REACH is dedicated to empowering individuals like Victo, and has been instrumental in her success. Thanks for your support and God bless you all.

Best regards,

The Omega School Social Workers
