OCTOBER

The Children's Voice

2025

Omega School is well into their second term which ends at Christmas time. Their year runs Jan-Dec. Please pray that they continue to work hard and press into their studies as the Final Exams approach. In Uganda, kids must pass their exams to move on to the next level. Omega School has had exemplary success in this area with stunning accolades as a result. Please pray for God's continued blessing on this great school. And thank you for your love!

Some of the Omega School Teachers 2025

Still a Need. As the years have passed by, our desks have gotten old and weak. And, there are not enough for all the students. Each desk sits three students at a cost of \$25. We thank you so much for the desks that we have already been able to purchase but there is need for more. Please pray for us for the Lord's provision for a few more. (Reach USA note: If you feel so led, mark a donation of any size "For Desks".) Thank you and many blessings,
...Fred Tumwebaze
