

Empowering Young Minds

November 2025

Dear Friends,

Allow me to thank you all for your consistent support for us here in Uganda. Meet Gift Waibi, Reagan Ngobi and Agnes Kantono with different stories to share with you. They are all beneficiaries of Rescue African Children (REACH) Organization which supports their education. With REACH's support they get to focus on their studies. Many more children here have similar stories.

Gift

UG/2151

D.O.B: August 3rd, 2005

Gift comes from a needy family. He was in grade two when he joined Omega school in 2014 and completed his grade seven in 2019. He then joined secondary level in 2020 up to 2024 and loved Mathematics and English Language most. Currently, he is planning to join advanced level pursuing subjects that align with his dream of becoming an engineer.

REAGAN

UG/2105

D.O.B: December 10th, 2006.

He as well comes from a needy family of six children (2 girls and 4 boys) and he is the last born. He left Omega School in 2019 having completed his grade seven Exams. He later joined secondary level from 2020 up to 2023 sitting for his form four final exams. After that, Reagan went for higher studies of learning (Advanced level) in 2024 and hopes to complete it this year with subjects like Physics, Chemistry and Mathematics (PCM) that align with his dream of becoming a science secondary teacher.

AGNES

UG/2449

D.O.B: March 9th, 2010

She comes from a needy family too, and among the nine children in the family (4 girls and 5 boys) she is the last born. Agnes says that she is lucky to be studying at Omega school where she gets to learn new things every day. Her teachers are nice and she love making new friends. But what makes her school life even better is the support she receives from REACH Organization. Agnes loves learning about English language and she is getting better at reading and writing.

The above three students have learned that education is the key and they are not alone. They are grateful for their sponsor and the REACH Organization for making a difference in their lives.

In order: Gift, Reagan, & Agnes

Gifts received by December 16th allow for a timely transfer of funds to Uganda.
