P.7 PLE PERFORMANCE, 2025 - With great honor, we thank the Almighty God for He is always on our side in whatever we do. He is the one who has brought us this far. Hopefully you are all doing well. We're glad to inform you that we started Term #1 of the year 2026 on Tuesday February 10th. The term was delayed because of the Elections here. We thank God that He enabled us to go through them successfully. Last year, 2025, we had 36 candidates who sat for their Primary Leaving Examination (PLE) which enables them to go to another level, secondary level. You might call it High School. We were eagerly awaiting the results which finally came out as follows: 3 of the 36 received Grade A, the majority 28, Grade B, 5 others, Grade C & D. We are thrilled to inform you that the above performance was for our dear candidates and they have done well. Rebecca's siblings (see video on web), the twins, also passed and are now heading to secondary level. We thank the Almighty God who enabled them to present that good performance. May His grace continue following them to the next level. Thank you for offering prayers for our children, it has been answered. School is going well and the children reported ready to learn. May you be blessed in a big way.Fred Tumwebaze
