## PRIMARY LEAVING EXAMINATION – 2026

Dear beloved Friends,

We greet you in the name of our Lord, with sincere gratitude for your continued love and support towards the children at Omega School. We write to update you about our primary seven candidates - both the children sponsored through REACH and the non-sponsored children. They are one family preparing together for their Primary Leaving Examination (PLE) which will take place on the 2nd and 3rd of November, 2026.

## MOCK EXAMINATION RESULTS

As part of their preparation, our candidates recently sat for their Mock Examinations. The teachers are conducting intensive revision, working tirelessly to ensure every child is ready for good results. The school shall hold a special dedication service to commit our candidates into the hands of God. It will be a day of prayer, encouragement, and blessings as we send them forth. In the photos, is teacher Denis, attending to the candidates in a mathematics lesson. In another is a group photo of teachers together with the candidates which shows love, unity and team work between our teachers and the pupils.

We humbly ask you to keep our candidates in your prayers. Pray for good health and peace of mind for all candidates. Also ask that they have wisdom and remembrance during their exams and also God's guidance. We look forward to celebrating success with you all after the examinations and we believe that with God and your prayers, they will all succeed.

Yours faithfully,

BYANSI ASHE

HEAD TEACHER

Gifts received by November 16th allow for a timely transfer of funds to Uganda.

For more than 20 years REACH has impacted the lives of now 1000's of kids in little Buwenge Uganda,. What we few volunteers here in the U.S. love about it, is that we have direct communication with the kids and Pastors w/o a huge org in between us and them. It's just Pastor Fred and his limited crew of social workers. All monies go directly to Omega School, which pays for the needs of all the children, then distributed from there out to those sponsored kids and Pastors outside the school. With limited technical help, they do well, but have many admin challenges. We so appreciate your patience with this. Always know, your giving will consistently benefit all the kids together, sponsored or not. And the evidence is the fact that the Lord continues to bless like "loaves and fishes" there. Having said that, since Pastor has not been back here for years, due to many challenges, our sponsors have decreased. If this tugs at your heart, please consider helping find more sponsors. Thanks.
